Centennial Celebration

In the year eighteen-hundred and eighty seven the first graduating class of 8 students left Harbor Springs High School. Since that day a lot of students have walked out these same doors carrying diplomas. They all have left a mark here one way or another. Harbor High has had many outstanding students, athletes, musicians, authors, and others. Every year approximately 52% of Harbor Springs graduates enter college. Harbor High has prepared its students with a fine education and many choose a fine career.

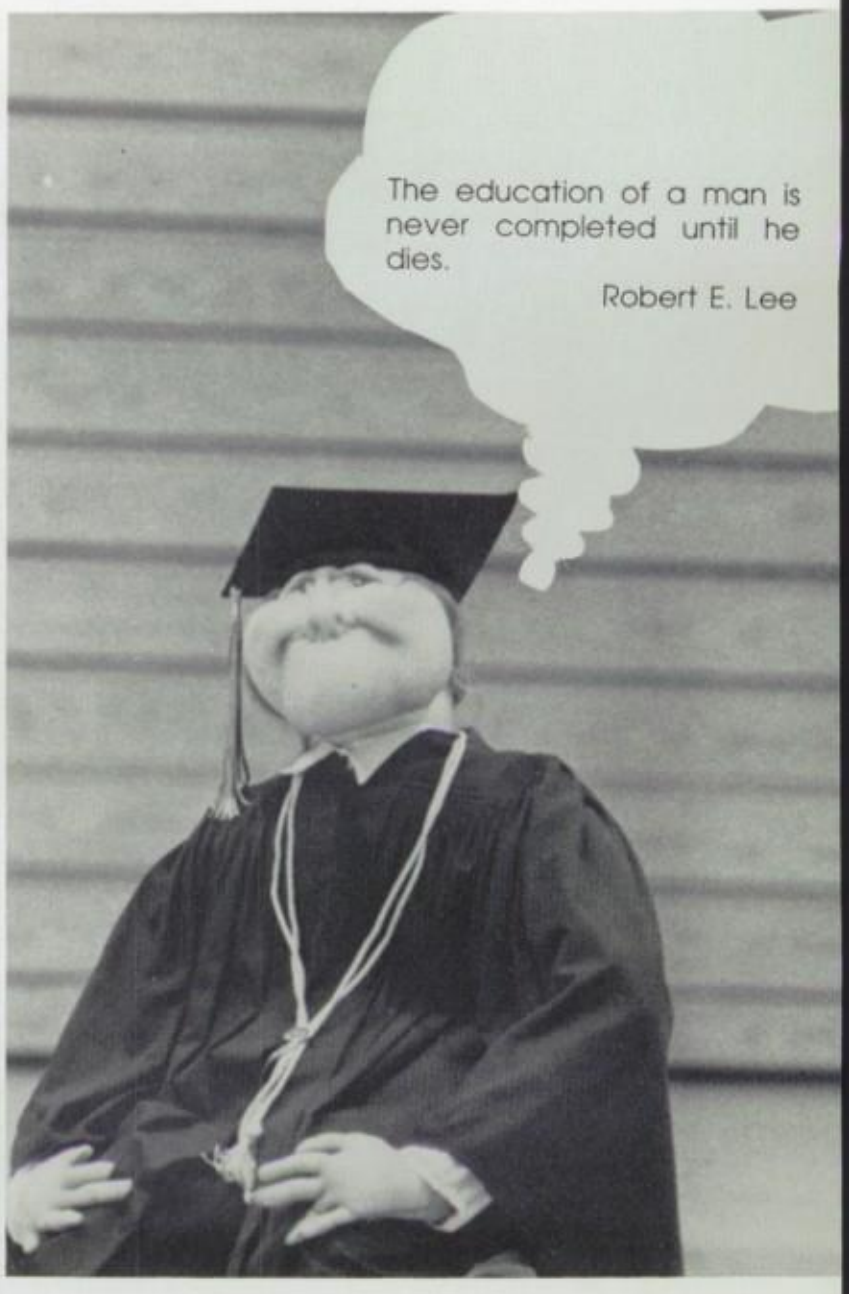
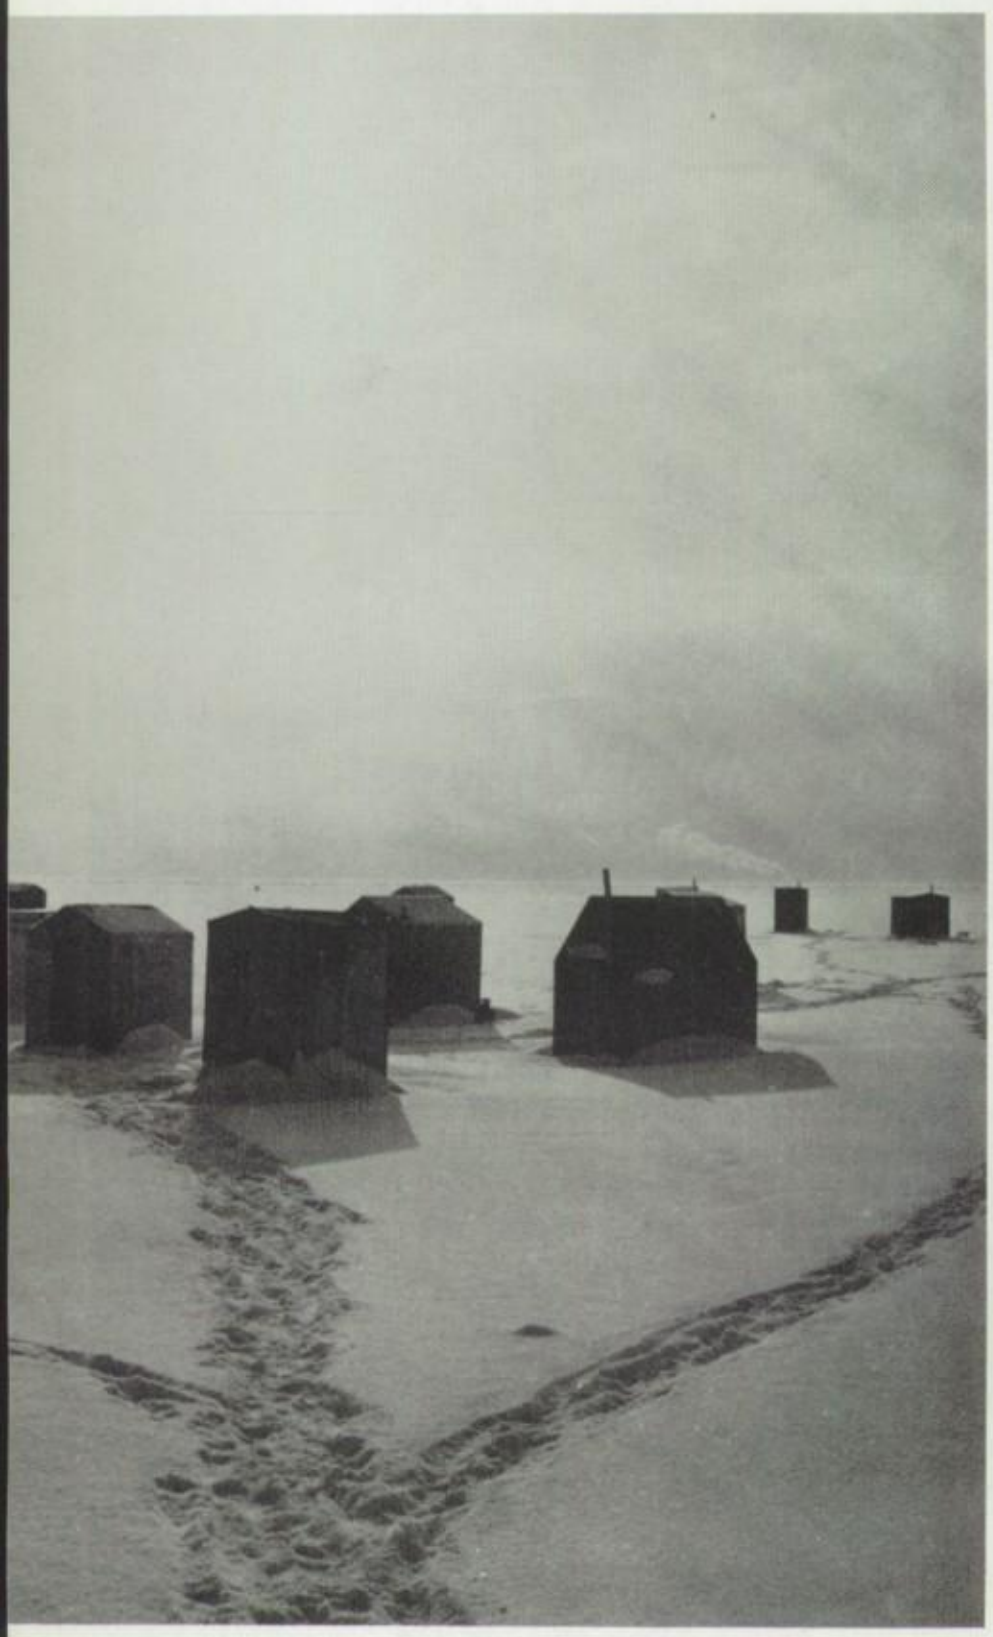
Harbor's One-hundredth Graduating Class



Above: This unusual looking fellow, known to most as Herbie, is a very familiar face to the graduating class. Herbie has been appearing at class functions since the seniors were fershmen. It seems most appropriate that he should now be graduating with them. Good luck, old chap, and thanks for the words of widsom.

These 15 scholars were tops in the class of 1986. Standing: L. Phillips, B. Juilleret, D. Bowers, K. Blanck, J. Antilla, J. McCarry, and sitting C. Krieg. Seated: J. Babcock, L. O'Neill, C. Luhellier, M. Craven, C. Borgman, V. Newbury, and L. Witty. Missing: T. Fischer.

Top left: One morning toward the end of the year this giant Mr. Pizza showed up at school. Did he simply become misplaced, or could it be that Herbie needed a friend?



Winter

The 5th annual winter carnival was sponsored by the Harbor Springs High School, Harbor Springs Chamber of Commerce, and the Harbor Springs Kiwanis Club. Those who attended were warmed with hot chocolate and hot chili that simmered over an open fire. Hot dogs and Polish sausages were served hot off the barbecue grill. A cross country ski tour led skiers around the Harbor Springs area. Finally, a fireworks display capped the day's activities as a large crowd assembled at the waterfront to watch the aerial art work.

Principal Interest

For 32 years Principal George Menzi has been in education. After 17 years in the Harbor Springs school district, Mr. Menzi is retiring this year. Mr. Menzi's retirement from education celebrates his golden anniversary in the school environment. The zenith of his career has been spent working in Harbor Springs.

Harbor Springs has been fortunate to have someone as capable and interested in educating our youth as what Mr. Menzi has been. Filling those shoes will without doubt be a challenge for the next man, as Mr. Menzi has been a very special person with very special skills.

Aside from being a leader in education, Mr. Menzi has also been a leader and active members of many community organizations. This year he has been the man behind the scenes who is responsible for organizing our Centennial celebration. For the last time Principal Menzie, "Here's to you!"

Right: A moment of reflection on the last 17 years.

Seasons Change

To every thing there is a season, and a time to every purpose under the heaven.

A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;

A time to kill, and a time to heal; a time to break down, and a time to build up;

A time to weep, and a time to laugh; a time to mourn, and a time to dance;

A time to cast away stones, and a time to gather stones together; a time to embrace; and a time to refrain from embracing;

A time to get, and a time to lose; a time to keep, and a time to cast away;

A time to rend, and a time to sew; a time to keep silence, and a time to speak;

A time to love, and a time to hate; a time for war, and a time of peace.

SPORTS

For many years Harbor Springs has been well known for its fine athletic programs. Through the years it has earned the reputation of being one of the most competitive teams in the area. As early as 1929, the Harbor Springs RAMS were state champions in class C basketball. Continuing to boast a fine basketball team, Harbor Springs again went to state finals in 1974 and 1976 to return with the class D runner up title. During these same years the golf team received a runner up award and coaches Charlie Paige and Bill Grant were recognized as coach of the year.

Harbor continued to experience athletic success in the 1985-1986 season. Ending with 8 wins, the J.V. football team broke a Harbor Springs record. The Varsity football team also had a successful season, ending with a record of 7-2. Ending their season with a record of 22-3, the girls Varsity basketball team was once again district champions, and the girls J.V. basketball carried on the winning streak with an excellent 16-4 season.

Moving into the winter sports we see Harbor Springs advancing again. For the first time in Harbor Springs history, the girls ski team made it to the state finals and came away with 4th place. The boys' Varsity basketball team originally predicted to be a black horse, were runners up in the district tournaments.

With 5 spring sports being offered, sign up for spring sports in Harbor is quite impressive. During this season, player turnout many times excedes those of some of the B and C schools in Northern Michigan.

We are very proud of all of the talented athletes that have participated in Harbor Springs in the last 100 years. Harbor has been fortunate to have many players who gave their all to the game. Win or lose, the Harbor Springs athletes have earned a special spot in the heart of those who watch them. Both students and parents have exhibited their respect and spirit for the athletic participants by their own spirit and enthusiasm at the game. For our fans, the Harbor Springs Rams will always be champions.

The End of a Legend

When this school year ends so ends the career of a truly remarkable man. His career is one that will be remembered long after the final bell has rung. Mr. Paige has worked in the Harbor Springs school system in a variety of ways. He has taught history, elementary, mechanical drawing, and physical education. He has been football, baseball, and where he really leaves his mark, basketball coach. Fans over the years will never forget a basketball coaching career that counts 401 wins. He is the man most responsible for shaping the athletic attitude that permeates the Harbor Springs school system today. His competitive nature has become a tradition that our school pursues with pride.

During his own college days, Mr. Paige played 3 sports at Eastern Michigan University; baseball, football, and basketball. While attending classes at Eastern, Mr. Paige was an assistant coach in baseball and then coached freshmen basketball. In 1982, he was inducted into the Trenton Sports Hall of Fame. In 1976 and 1978, he was Coach of the Year in basketball. He also has received Coach of the Year for his football experience.

Other accomplishments are 30 years of teaching, 27 years as varsity basketball coach, 10 years as football coach, and 5 years as baseball coach.

Mr. Paige has coached and dedicated himself to many students throughout his career. Many of these have returned to thank him for his influence, and many have gone on to pursue their own careers thanking him for his guidance in yet another way. Mr. Paige, if those gym walls could only whisper, the stories we would hear! We leave you one final round of applause. Thank-you Coach Paige. You will be missed by all.

Harbor's ski teams boasted a banner year in 1986. The boys compiled a record of four firsts, one second, three thirds, and one fourth. A few unfortunate mishaps prevented them from advancing to States. Paul Overett was voted "Most Valuable" and Billy Shepler "Most Improved".

The girls swept seven meets, took two seconds, and one fourth. Their second place finish in Regionals at Schuss qualified them for the State meet at Nubs Nob. At States, the team finished fourth and was the only class "D" team competing. Lisa Brady was chosen "Most Valuable" and Laura Witty "Most Improved".

Thanks to Coach Racine, Coach Burns, and plenty of hard work, the boys' track team ended the season on a high note. Coach Racine feels as through he accomplished what he set out to do — turn the Harbor Springs Rams into a very tough team. After winning the Petoskey relays Ram "thinclads" went on to compete vigorously in the conference meet. Jim Drury was awarded MIP, while MVP was awarded to Jeff Gasco.

The lady Rams had a young team this year with seven out of the fourteen players being freshmen. The team, under the direction of first year coach Monica Long, finished the season with a fair record of fourteen wins and seven loses. Five of the players received Ski Valley Conference awards. Those players were Toni Gasco — catcher, Lisa Brady — infield, Susan Gasco — outfield. All-conference honorable mention were Tracy Fischer — outfield and Debi Fischer — infield. The two all district nominees were Lisa Brady and Toni Gasco. Toni was also selected as the MVP for her efforts throughout the season. The team played well all season and all players deserve a congratulations. Well done, girls! We'll be looking forward to seeing you as number one next year.

The 1986 tennis season was very successful. We only suffered losses against Petoskey and Charlevoix. In regional action we also played well, coming in just a few points behind the Charlevoix winner. Our returning team, with the help of a few new recruits, had a productive and exciting season, not to mention a lot of fun times . . . "Jelly Doughnut comin".

ACADEMICS

Laura Witty and Tracy Fischer, honored as the 1986 class valedictorians, are fine representatives of what academics at Harbor Springs are all about. The co-valedictorians, referred to as the "twins", both accumulated a grade point average of 4.05 during their high school years. Not only were these 2 students outstanding academically but both were active participants athletically as well.

Salutatorian, Mindy Craven, was not far behind, as she earned a 4.03 grade point average during her 4 year span.

We are extremely proud to have these students. They are fine examples of people who took advantage of what Harbor Springs has to offer.

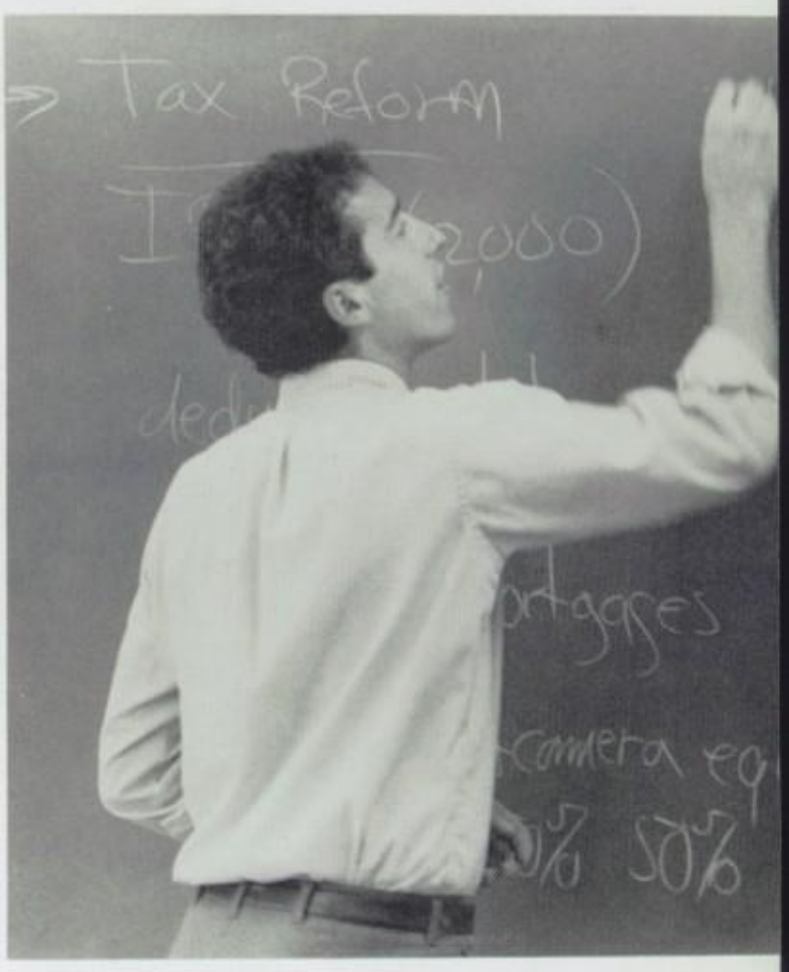
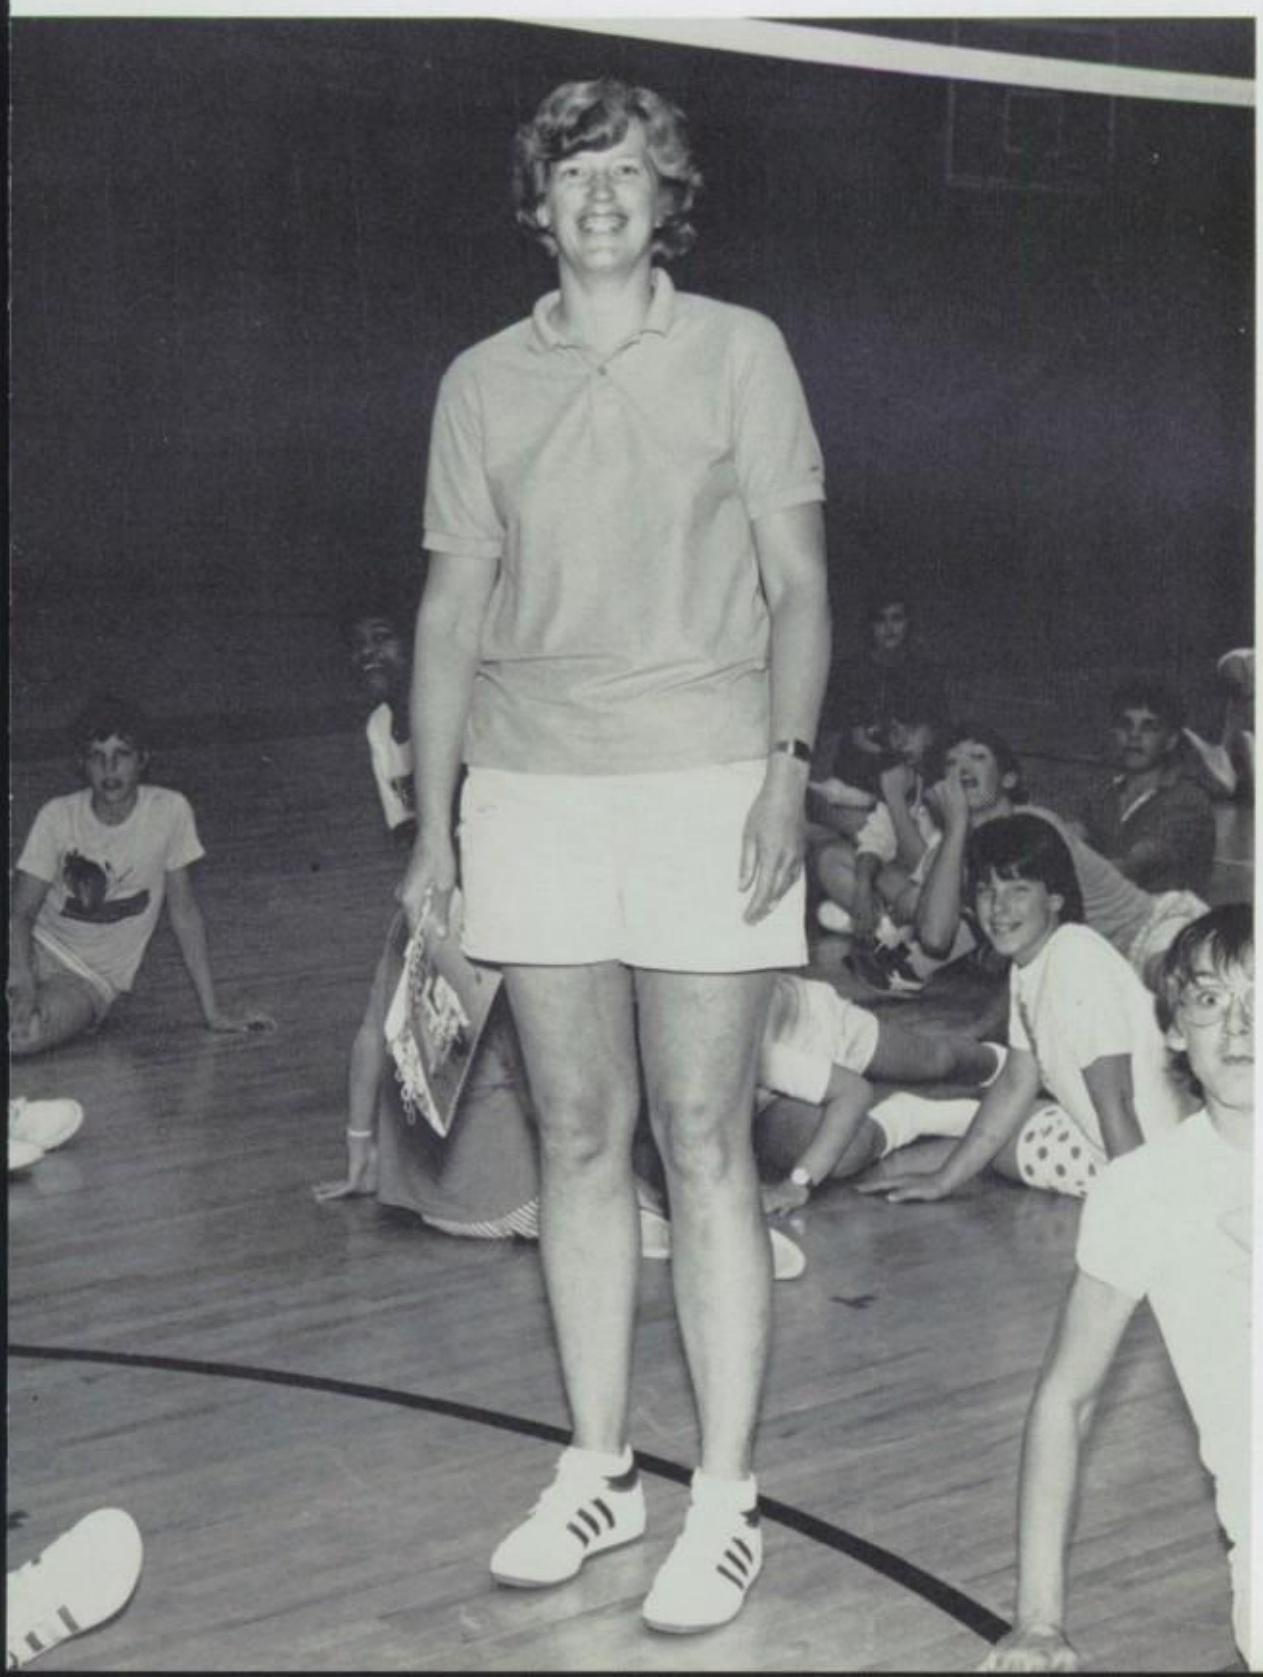
Teacher, Teacher





The Harbor Springs School system exists because it was a nice building to put on top of the bluff, right? Wrong. Well then, it must be because it was a good place to store lockers, desks, books, copy machines, rulers, pencils, paper, chalk ... Wrong again. The school was built to provide education. Frequently what is overlooked are the people that make that possible.

Here at Harbor we have a very talented and caring staff. From those who wear the pants to those who push the brooms, everyone works together providing the best for our school. The long history of our excellent education is proof of our dedicated faculty and staff. This is also reflected in the prestige held by the words "Harbor Springs" when applying for college or that first job. The educators at Harbor Springs take tremendous pride in their work. Allow us to present them to you.

Band Wagon

Marching. Pep. Jazz. Concert. Under the direction of Doug White, the Harbor Springs High School band seems to be forever expanding. This year we welcome the addition of the jazz band. Their snappy, upbeat rhythm added a new dimension to the Harbor sounds.

Many long hours are spent trying to perfect the numerous melodies performed by these groups. Never fear! All that hard work paid off. We are proud to say that this year's band efforts earned a first division rating at the district festival competition. This was the strongest show for the band in a decade. While undergoing much stiffer competition at state, the band was quite pleased to receive a second place.

On these pages we are proud to present the people who are responsible for making our school the great place that it is. These are the ones who in some cases are seldom seen by the student body but nevertheless show great concern for the management of our school. Those on the school board are dedicated community leaders who are interested in school business and are willing to participate in the conduction of its affairs without the benefit or expectation of financial support. We are glad that they are willing to dedicate their time to oversee the current and future plans of the Harbor Springs schools.

Those who we see on a more regular basis are Mr. Menzi; our retiring principal, Mr. Dickinson; our counselor, Mrs. Williams and Mrs. Schmidt; our office co-ordinators. These people also do a superb job of staying on top of us, as the student body and our problems.

The Muscle

Above: Kitchen — Chef Jim Juilleret, Mrs. Marszalec, Mrs. Sprague, and Mrs. Morris.

Our Chefs

Every person who has ever eaten in the high school cafeteria owes their thanks to the kitchen crew. Most of the people who eat lunch here don't appreciate it. Someday, if you ever get the chance, try to prepare a quick, nutritious lunch for approximately three hundred people one hundred eighty days a year. You'll probably find that it is not an easy task. Thank-you kitchen. We know that your job is not an easy one.

Custodians

Need some help? Just ask any of the friendly custodians and they will gladly lend you a hand. Whenever you are in need, one of them is bound to be near. When you are at your wits end for a typewriter and Mr. Beer is no where to be found, just look for Louie and he'll cheerfully let you in. If you've broken something which requires fixing by next hour, seek out Ray and he'll happily do whatever he can. At whatever time you are in need, one of the custodians is sure to be just around the corner. They are certainly our handy fix it, maintenance, and clean-up crew. Where would we be without you?

Bus Drivers

How would you like to have the job of hauling the very precious cargo of sixty or more screaming teenagers *and* their little sisters, or brothers, to and from school everyday? It has surpassed all scientific studies how bus drivers can do their job and still remain sane. Anyone who has ever ridden a bus at Harbor Springs schools surely knows what we mean. The bus drivers here do their job well, but *how* do they manage to remain so pleasant?

Variety Show

These pages were compiled to give you a brief idea of the variety of classes that are offered in Harbor Springs schools. These are classes in which students of different ages and characters are welcome.

This year the choir has been especially popular with many people participating in the school's first musical. The students in choir are very dedicated and often give up their lunch hour to practice.

Many of our students choose to participate in the vocational program. In this program students are able to sign up for a variety of courses including; drafting, engineering, auto-mechanics, and cosmetology.

If you are interested in a career in the restaurant business, foods class is a good practical learning experience. This class teaches how to prepare and serve nourishing meals in a speedy and appetizing manner.

SENIORS

Who would have ever thought that September of 1982 that our Christmas float down at Phillips' would actually "wrap things up" over Kowalski's "Ram for all Seasons!" Remember tying that tree down and wrapping all those packages? Then, watching Mr. Bernhardt's truck transform into Rudolph in a matter of minutes, thanks to Mrs. B., of course.

Our tortoise and hare for the Snow Carnival that year . . . they sure were worth all the chilling and grueling details, right Vickie and Linda? Thanks, Mr. Fischer, for that blue finish line . . . the coup de gras, once more.

Then Sophomore year and our Abracadabra, Presto, Magic Disappearing float trick! Still wish everyone had seen that one; it WAS a winner. And there was Scott Chamberlin, at the very last moment, dry ice in hand. Another "save".

We adored our big teddy bear, "grinning and bearing it" through that year's Winter Carnival. He sure was a cutie, blue bow and all. Mrs. Fischer to the rescue once more.

We really loved our white Cinderella float for Homecoming Junior year. Remember having to take all those wires down to get it out of Phillips' garage? And our adorable little coachman, thanks to Mrs. Green. Another winner.

Then our Junior year. Remember the "executive planning session" for the prom at my house? Hors de vours, pina coladas, ALL OF ME and lots of dynamic ideas. SOMEWHERE IN TIME, the prom of the century, resulted from that evening's work . . . and what a prom that was. You all looked so different that night — older, yet younger at the same time. We chaperones and parents were certainly proud to call you our own. You were so grown up and mature, dancing the night away. Remember all those people gathered at the dock watching you board the horse-drawn carriages? I puffed with pride as I stood there, watching them — watching you.

Then Shepler's went all out with our "bridge brigade" in the wee hours of the morning. Were you one of the brave ones, climbing to the blustering top as we wound our way through the supports of the bridge, wind, rain and all?

We all told you this Senior year would zip right by . . . and with this year's l-o-n-g winter, there were probably days you doubted those words. But here you are . . . graduates! It's all over.

The flaots and the tournaments. Our stadium. The band. Our pep assembly skit, the plays and concerts. The locker commons. Gurneys and gossip. Comp and calc and car washes. Connie as our Homecoming Queen, with Pat, Kim, Lisa, and Laura as her court. Our breakfast club meetings. Quincy Market. Filene's Basement. Fenway Park. Beantown, our dream town. What a trip that was!

It certainly has been a delight; but now it's time for you to leave this nest in Harbor. It's time for you to fly, to soar.

It's a new day, with new beginnings. I wish you love, my special ones. I wish you happiness and a safe flight.

Now, go make those dreams come true.

Written with love from Ms. Seacord.

Reflections

Allow a moment of regret
For mistakes made
Loves lost
Assorted heartaches
And headaches

Allow a moment of rejoicing
For major victories
And small ones
Past loves
Special friendships

Allow a moment of reflection
To celebrate
The pain and joy
Of Yesterday
For it will not be back
Tomorrow

It Was Our Year

UNDERCLASSMEN

Starting out all over again at the bottom of the barrel isn't easy. Seeing those lofty, experienced 8th grade faces turn into the newness of the frosh is really amazing. Fortunately it happens to us all as we enter into another phase of growing up. And then before we know it those "Fresh Faces" have changed again, and it's on to the "Second Season" as we journey through the high school ranks. As quickly as it started another year goes by and now we are the "Juniors". Can you believe it? This is our final resting place until we enter into the last phase of our secondary education.

CLUBS

For many Harbor students school is more than just getting up in the morning, attending six classes, and doing homework after school. To many, school also means being involved in various extra-curricular activities. Harbor High provides a variety of these. We have attempted to provide clubs and organizations to meet everyone's interest. They range from farming to performing. These clubs don't just get together once every year but spend a great deal of time making their projects a success.

Most of our clubs meet at least twice a month to plan services and goals. Performing in front of hundreds of people isn't easy; therefore, lots of practice and discussion is necessary. The many hours of practice spent before and after school perfecting their skills paid off for forensics, computer club, student council, as well as others. They all did a great job!

S.O.S. What A Success!

Students Offering Support is one of the newest organizations at Harbor Springs High School. S.O.S. consists of nine high school students and their advisor, Joanie St. John. Their goal for the year was to create a feeling of warmth while providing chemical free activities. The group reached their goal with projects like Hug Days and the 50's-60's dance. S.O.S. has also introduced a few speakers at assemblies. Larry Roda, a speaker for Students Against Drunk Driving (S.A.D.D.), was well received. Toney Lineberry was also well received when he told of his traffic accident that happened when he was just 18 years old. Button Day was another S.O.S. project. Every Friday during the month of May students wore their S.A.D.D. buttons. This was a reminder before the weekend to not drive after drinking.

How did S.O.S. start? It all began on July 21. Five Harbor Springs students and their advisor went to a leadership seminar at Michigan State. Michigan Teenage Institute (MTI) changed the lives of all who attended. Everyone learned about people's needs, chemical free activities, and how to trust one another.

How About A Hug!

It was quite an emotional day when Jim Tuman came to speak at Harbor High. Through his encouragement kids swarmed around each other offering support, friendship, and a lot of hugs.

Due to the efforts of the Student Leadership Forum, who sponsored the program, the student body was reminded that they were all similar people experiencing some of the same frustrations, desires, and concerns. What a worthwhile attempt to unite the high school student body! This day will remain in our minds for along time.

Right: It was definitely a day for hugs!

Below: Friends giving and receiving hug support.

This year a new group, S.O.S. (Students Offering Support) successfully united the school with their hug days and cupcake sale. With help from the cheerleaders, S.O.S. raised over $50 selling and delivering 25¢ cards and cupcakes on Valentine's Day. According to Matt Zyble, "Our goal was to bring the school closer together and to get everyone involved, not really to raise money."

The Sophomores also raised over $75 on Valentine's Day by selling corsages and boutineres. These were then sent openly or anonymously to sweethearts.

Sweetheart Day

Title IV-A is a federally funded program for native american students. This program is beneficial to these students in a number of different ways. Occasionally field trips to job sites are conducted to acquaint students with possible careers. The most important function of the program is in the education department. The program provided native american students with the incentive they need to achieve good grades. If additional help is necessary, the program provides excellent tutors. The director of the program, Mrs. Sharon Peters, is always there to help the students get the most benefit from the program.

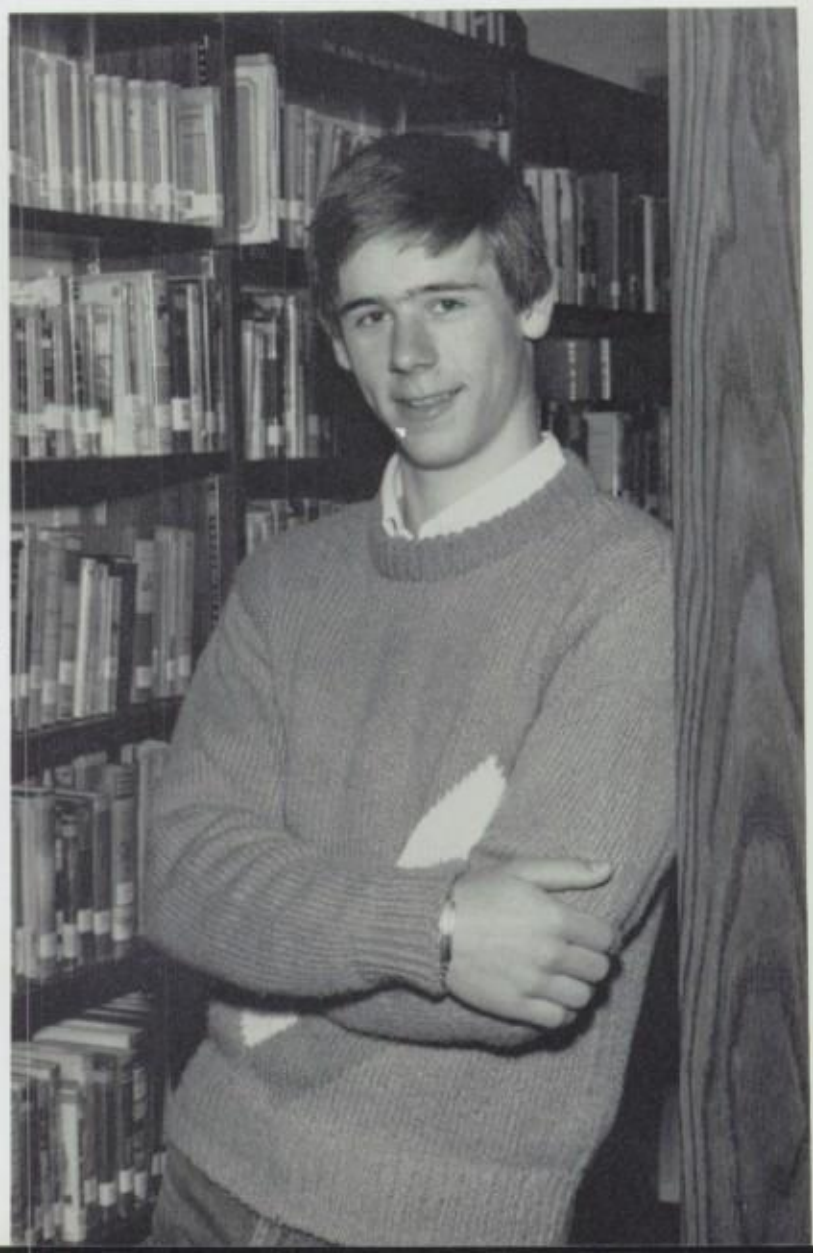
OM, Olympics of the Minds, is a team problem solving competition. The teams, composed of 5-7 members, compete against other teams in three areas: main problems, style, and spontaneous. This year Harbor's high school team chose balsa bridge building as their main problems. Though this is the first year Harbor Springs High School has competed in OM, the team has done very well, earning a trip to world finals in Arizona.



Right: First year Forensics competitor, Chris Kaminski, deserves a big hand for his outstanding performance. Chris received 2nd place in district competition and advanced to regionals. What a nice show for a newcomer!

Students

Achievement was high in the computer club of '86. They were able to purchase new computer equipment and created a disk catalogue. They also acquired many new and interesting programs and intend to keep building their library.

Foreign

We have been extremely fortunate this year to have with us the following foreign exchange students. It is our hope that they have enjoyed us as much as we have them. Thank-you for being a guest in our country and in our school.

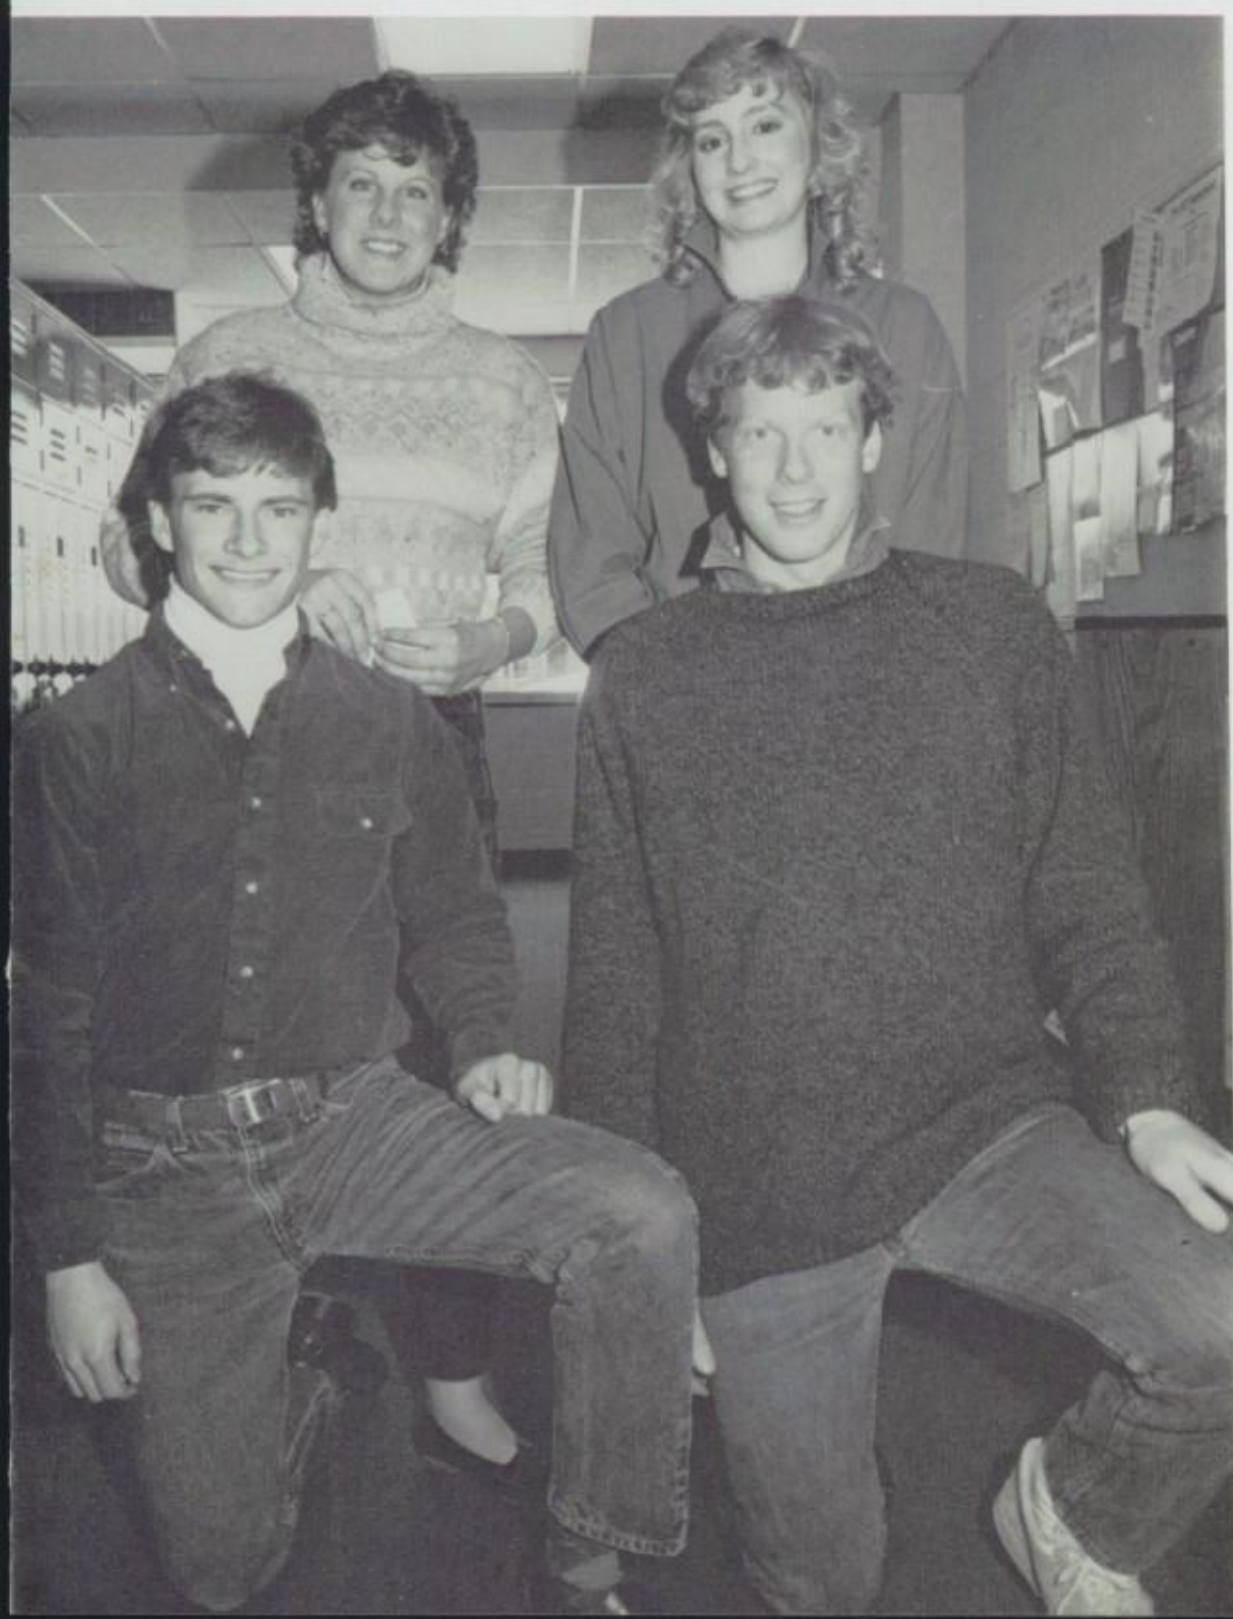
The Kaleidoscope is a Harbor Springs School publication which provides another avenue for students to publish an arrangement of their own creative stories, poems, surveys, interviews, and artwork. The students pictured below are the extremely dedicated young ladies and gentlemen who spent many after school hours making this finished product possible.

Standing: Mindy Craven, Tracy Fischer, Jib Babcock, Dave Bowers, Scott Chamberlin, Jeff Antilla, Ms. Seacord and Vicki Newbury.

Journalism

F. F. A.



Future Farmers of America is an agricultural organization devoted to the development of leadership, cooperation, and citizenship of our farm inclined students. Of its many activities, the group's trip to Kansas City, MO is most notable. They attended the National Convention of Agriculture where new rules were adopted and officers elected.

Seated: W. Morse, A. Truman, C. Rinock, T. Andrews, F. Kurburski. Standing: R. Morris, A. Schlappi, A. McFarland, J. Johnson, advisor Ray Terpening,. M. Foster.

The American Legion State programs have been designed to emphasize the functioning and importance of government in American Life. The students participating in the real political and governmental processes from Harbor Springs are Mollie Kelbel, and Stacy Williiams, Doug Dickinson and Josh Baker.

CAST MEMBERS

Back row: J. Harris, R. Boda, B. Meyer, D. Hill, J. Baker, C. Krieg, R. O'Neill, E. Wilderom, K. Blanck, G. Pierce, C. Poll, L. Niederstadt, K. Bernhart. Kneeling: K. Kolinski, C. Marzelec, A. McDonald, S. Schmidt, F. Cavalcanti, J. Webb, B. Major. Seated: H. Snideman, R. Regentin, B. Goldsmith, L. Niederstadt, M. Tippett, S. Neff, J. Bowman, N. Hatcher, L. Krieg. Lying down: M. Zyble. Front row: B. Zylstra, A. Williams, M. Snideman, M. Pierce, M. Woehrman, S. Williams.

Top: "Bye, Bye Birdy" cast.

Above: Tracy Laurer puts stage make up on Ellen Wildrom.

Right: Mr & Mrs. MacAfee (Stacey Williams & Matt Woehrmann.)

With a record number in the cast and also in attendance, "Bye, Bye Birdie", a 1950's musical comedy, wowed the audience with a superb performance. Matt Zyble, cast as famous rock star Conrad Birdie, brought down the house with his entrance as the teen idol. His gold lame' jumpsuit and street-talk vocabulary added tremendously to his character. Josh Baker, as Conrad's manager Albert Peterson, and Kristie Blanck's portrayal of his secretary and girlfriend Rosie Alvarez, seemed a perfect match. Superb performances were also given by Angie Williams (innocent teenager Kim MacAfee), Matt Woerhmann (Mr. MacAfee), Stacy Williams (Mrs. MacAfee), and Mark Pierce who played obnoxious son, Randolph MacAfee. Brandon Zylstra delivered a wonderful performance as Hugo Peabody, Kim MacAfee's boyfriend. An outstanding performance was also presented by freshman Ruthie O'Neil who played a very brassy, demanding Mrs. Peterson. The performance of the 21 piece orchestra was quite admirable.

Top: "Wipe that smirk off your face!" Brandon Zylstra and Matt Zyble

Center: "For he's a fine, outstanding, patriotic, healthy, normal, American boy."

Bottom: "We love you, Conrad!"

Tender Years

May 17, 1986
Perry Davis Hotel

"Tender Years" was quite an appropriate name for the 1986 prom. Sponsored by the Juniors, the prom was attended by students from all four high school grades. As you can see, the lively night was filled with fun and excitement. Guests danced from 9 to 1 to the great sounds of Population X.

ADVERTISING

At Harbor Springs we take great pride in producing our yearbook. Realizing that we would want to try to make the Centennial book special, our pride this year proved to be rather costly. With this in mind, we relied greatly on our own resources, and also on the support received from various advertisers in the surrounding area. Through their generosity we were able to produce a quality book — one of which we are very proud. We thank these backers and hope that you will support and patronize these establishments.
